Police/Fire Committee Minutes

December 2, 2025

Attendees: Ben Hunt (Committee Chair), Richard Bardach (Committee Member), Adam Frankel (Committee Member), Scot Lahrmer, Lt. Schmidtgoessling.

The meeting was called to order at 5:00 PM. The minutes from September 30, 2025, were approved with no edits.

Lt. Schmidtgoessling and Mr. Lahrmer presented the committee with the 2026 Capital Budget requests for the Police and Fire Departments. Due to a tight budget this year, several requests could not be funded. However, a kitchen remodel for the Police/Fire department was approved, along with upgrades to the camera system equipment and four dispatch radios. In addition, three new EV police vehicles will be purchased using the operating budget and a donation from the JCC. One new Flock camera will also be purchased through the operating budget.

The committee discussed a recent repair to the older fire truck's water tank. The issue was identified and repaired, and the vehicle is still considered fully functional. This repair has prompted the department to begin exploring the possibility of purchasing a used fire truck from another local agency.

Lt. Schmidtgoessling then provided a departmental update. The department continues to see an increase in car break-ins across the community and urges residents to lock their vehicles and avoid leaving keys inside overnight. All police officers and firefighters have completed their required annual trainings.

There being no further business, the meeting was adjourned.

Ben Hunt
